British Library Cataloguing

TO THE
READER

HIS Catalogue contains the Library of the Reverend and Learned Dr. JOHN OWEN, deceased, (sometime Vice-Chancellor and Dean of Christ-Church in Oxon,) a Person so generally known for a Generous Buyer and great Collector of the best Books, that 'tis needless further to intimate to the World the great Opportunities he had, his constant Readiness to buy what at any time presented it self that was rare and useful. Among the vast Numbers of Books he had perused, and was for several late Years possessed of, I find these ensuing larger Volumes preferred, and esteemed by him as the Choice and Curious to his Death, viz. his Greek and Latin Fathers, his different Editions of the Councils, his Church Histories, and Rabbinical Authors, together with great variety of the Bibles in the Oriental Languages; not to mention his almost compleat Collection of the Historians, Poets, Geographers, Philologers, and Lexicographers, in Greek, Latin, &c. All which considered together, perhaps for their Number are not to be parallel'd, or upon any terms to be procured, when Gentlemen are desirous of, or have a real Occasion for the perusal of them. And left what I have hinted, should be termed a formal Commendation, rather than a true Character of the Books, I leave the Catalogue to the Judgment of Gentlemen the Buyers, and invite them for one whole Week before the Sale, at the usual Hours, to a critical View and thorough Examination of them, as to their Editions and Binding.

This SALE will begin on Monday the 26th of May, 1684. at the Auction-House in Ave-Mary-Lane, over against the Black-Swan, near Ludgate-Street, at Nine of the Clock in the Morning till Twelve; and from Two in the Afternoon to Six, and there continue daily till all the Books be sold.
